

Nursery Rhyme Project

Dear Parents,

For the last 3 years we have successfully run our Nursery Rhyme Project.

This consists of choosing a 'Nursery Rhyme of the week' and encouraging the children to take part in role play and musical activities related to this Nursery Rhyme.

The children thoroughly enjoy these activities and are enthusiastic when taking part in acting out, playing musical instruments to and singing their favourite nursery Rhymes.

Nursery Rhymes encourage the children to develop their language skills by singing the words, learning which words rhyme, and musical skills of rhythm and beat.

Please look out for our 'Nursery Rhyme of the Week' on each entrance door and help your child to learn these by singing them at home.

The list is also available on our website: www.bentilee.org.uk
